For a limited time, Orange County-based Images Luxury Nail Lounge provides a free nails fix for customer not happy with their manicure.

The upscale nail salon believes everyone should be 100 percent happy with his or her nails and promises to fix the fingers of clients who are unhappy with their manicures from any salon, entirely free of charge. Redeeming the free manicure is pretty easy. Simply “like” Images Luxury Nail Lounge on Facebook or visit:
www.ImagesNailLounge.com/HappierNails.

On the day of the appointment, Images asks participants to “check-in” to its location on Facebook, and post on Facebook, Twitter and/or Instagram, tagging Images Luxury Nail Lounge’s appropriate social handles in the post or caption.

Once your manicure is back to beautiful (just as it should be!) Images requires customers to please share a photo of their new nails on social media, using the hashtag “#HappierNails.”
