Images Luxury Nail Lounge Offers the First Mani-Pedi Services for Men in Orange County, California

Images Luxury Nail Lounge, home to many of the world's most opulent mani-pedi services, announces a new, more masculine menu: the OC MAN-icure. The chain of nail salons in Orange County, California launched the menu this month with services to cater to men's nail care needs.

Featuring an array of options for the hands and feet, the OC MAN-icure menu offers all of the traditional manicure services, like cuticle trimming, buffing, and filing, as well as other luxurious perks to ensure men look their best from head to toe -- literally!

"We're thrilled to be the first nail salon in Orange County to offer services specifically created for men's needs," said Tony Nguyen, general manager of Images Luxury Nail Lounge. "No matter how masculine men are, it's still important they maintain proper nail care and hygiene. The OC MAN-icure will appeal to men by offering a relaxing experience in a luxurious environment, ensuring they won't feel uncomfortable or embarrassed by taking care of their finger nails."

After skin exfoliation and a hot oil treatment, men can indulge in a hand and foot massage (hot-stone optional) or a smoothing callus treatment. OC MAN-icure treatments start at \$35 for just the hands, and go up to \$85 for a complete mani-pedi package to pamper the feet, too. Add-ons like a rejuvenating facial mask or an extra-long massage are also available for additional costs.

The OC MAN-icure is another service that sets Images Luxury Nail Lounge apart from the rest, as the salon continues to completely disrupt the definition of "luxury," as it pertains to nail care treatments. For customers interested in other treatments, for as little as \$45, they can indulge in the Images Signature Mani-Pedi, which includes a skin-softening marine mineral bath, customized nail and cuticle trimming, a coconut scrub, a hot tropical oil massage, and of course, Images' meticulous nail lacquer application.

However, for those patrons truly looking to splurge, Images Luxury Nail Lounge also offers its three most expensive manicure treatments: the Haute Couture Manicure, the Gold Rush Manicure by Models Own, and the Glitz & Glamicure.

At prices ranging from \$500 to \$25,000 and up, Images offers real GIA-graded diamond and 24-karat gold nail designs, alongside French-imported pastries and premium champagne -- all to be enjoyed in a completely private setting.

Images is open Monday through Saturday, 9 a.m. to 7 p.m. and 10 a.m. to 7 p.m. on Sunday. For more information or to schedule an appointment, please visit: www.ImagesNailLounge.com or call: 949-783-5388.
